21

[45] Annual Budget

80000

[80] Person Responsible Name

The board of the Foundation

[53] History

The aim of the foundation is to work for the common good. It seeks to achieve this goal by contributing in the development of health and human welfare, support and promote social and charitable projects in education. The foundation was born in 2004 and the parents were Dirk en Micaëla van Bunder because they had been in Kenya and they saw that there was a lot of help needed. So they did something about it and started a foundation in Holland to help the children in Kenya. Within 5 years there was a team of volunteers in Hulst active.

[56] Prior Project Completed

Yes

[55] Prior Project Summary

Supporting 15 schools in the Nyando District in Kenya by helping to develop educational programs and by improving the infrastructure of these schools. This ranges from a new floor for the Obange primary school which up till then didn't have a solid floor, to the complete renovation of the Nyong'onga primary school.

SECTION: PROJECT

Sub Section: Project Basics

[59] Title

Classrooms

[112] Summary

"This project will create 8 safe and dust-free classrooms for the Andingo Opanga Primary School, as the current ones are in a bad and even dangerous shape".

[60] Primary Theme

Education

[61] Secondary Theme

Health

[62] Tags

Classrooms, school, primary

Nyanza province/ Nyakach district

[63] Country

Kenya

Sub Section: Who Benefits Most From This Project?

[100] Beneficiary

Children 0 - 11

[73] Amount

400

[71] Description

Primarily the students of the Andingo Primary School, secondary the whole community of the Andingo Opanga sub location.

Sub Section: What Is The Problem?

[67] Definition

All the 8 buildings of the school are in a terrible state. Several buildings are actually dangerous to use.

Sub Section: What Caused The Problem?

[66] Analysis

No funding or support for the maintenance of the school buildings by the government.

Sub Section: What Is This Project Going To Do About The Problem?

[69] Activities

We will build new school buildings for all the different classes of the school. Combined with the one brick school building already finished, this will be sufficient to teach all the 8 separate classes and the kindergarten in safe functional classrooms. These 8 classes should be enough to provide education for all 8 separate age classes (including kindergarten)

Sub Section: What Are The Concrete Goals Of This Project?

[68] Goals

To provide all the students of the Andingo Primary School with safe and functional classrooms.

Sub Section: What Are The Expected Results?

[70] Results

A vast improvement of the school infrastructure, combined with the efforts of the school comity and the headmaster this should provide the children of the Andingo Opanga sub district with a change for a good primary education for the next 30 years.

Sub Section: What Are Potential Threats To This Project?

[79] Threats

Not being able to raise enough funds to finish the project.

Sub Section: Who's MOVING This Project?

[83] Primary Mover

Micaëla van Bunder

[85] Online Social Network
